

2019-2020 Fall/Spring Child Care Grant Application

The Child Care Grant is designed to *provide financial assistance to PHSC students for child care costs while attending college*. The program is based upon eligibility for financial aid.

For the Fall/Spring semesters (2020-1 & 2020-2), PHSC may be able to award up to **\$750.00 per semester, per child (up to 2 children; second child awards reduced by 10%)** to students who can document child care costs. To be considered eligible for these funds, students must meet the following criteria:

- Minimum of 6 credits per semester and a cumulative GPA of 2.0.
- Must complete a FAFSA and have an Expected Family Contribution (EFC) of **0 – 2,500** on the Student Aid Report for 2019-2020.
- Provide proof of current child care costs incurred by submitting the following information: signed contract or letter from the licensed child care provider including the name, address, phone number, license number of the facility, child's start date, person responsible for payment, and the weekly or monthly rate paid by applicant.
- Must specify the name of the child(ren). **(No more than two names, please.)**
- Costs associated with the child care service(s) (weekly, bi-weekly, monthly).
- Name of person(s) responsible for payment of the child care services.
- If the child care costs are paid partially by a social, federal or state agency (i.e. Early Learning Coalition), your award may be adjusted to account for those contributions.
- Students attending the New Port Richey campus must use the TodayCare Center at PHSC.

Awards are subject to verification of required documents and the availability of funds. If you feel you meet the above criteria, **please complete the attached application, attach the required documentation from the child care provider, and return it to your campus Financial Aid Office.**
