The Child Care Grant is designed to provide financial assistance to Pasco-Hernando State College students for child care costs while attending college. The program is based upon eligibility for financial aid.

For the Summer term 2020-3, 3A & 3B, PHSC may be able to award up to $650 (up to 2 children, second child award reduced 10%) to students who can document child care costs. To be considered eligible for these funds, students must meet the following criteria:

- Minimum of 3 credits hours for summer semester and a cumulative GPA of 2.0.
- Must complete a FAFSA and have an Expected Family Contribution (EFC) of 0 – 2,500 on the Student Aid Report for 2019-2020.
- Provide proof of current child care costs incurred by submitting the following information: Signed contract or letter from the licensed child care provider including the name, address, phone number, and license number of the facility, and include child’s start date, person responsible for payment, and the weekly or monthly rate paid by applicant.
- Must specify the names of the child(ren) – no more than two names, please.
- If the child care costs are paid partially by a social, federal or state agency (i.e. Early Learning Coalition), your award may be adjusted to account for those contributions.
- If you requested Federal Student Loans, they may be reduced to prevent potential financial aid over-awards.
- Students attending the New Port Richey campus must use the TodayCare Center at PHSC.

Awards are subject to verification of required documents and the availability of funds. Awarding will commence after add/drop period is over. If you feel you meet the above criteria, please complete the attached application and return it to your campus Financial Aid Office.
